

the FDA:

RE: DOCKET NO. 98N-1265

id this letter as a consumer of healthcare services to register my concern and disapproval  
ie Memorandum of Understanding as published by the FDA on January 21, 1999.

s present form, the MOU, as well as the Compounding Section 503A of the Moderniza-  
Act, severely restricts the rights of the physicians and patients to obtain healthcare  
products from the provider of their choice. It also infringes on the rights of compounding  
pharmacists to serve the public's medical needs. As a healthcare consumer, there should be  
no restrictions to the delivery of a compounded medication prescribed for me, regardless of  
where I may live or may travel. The MOU must be amended!

Signed: Seneahole 7/24/99

State of Residence: Alaska

Comments: I'm a single Parent w/ 5 children. Live where no  
roads connecting; travel is only by air and Postal  
delivery is the safest way plus no Pharmacy in our  
Community except at the Hospital for a Community of  
+5,000 people. I need these "needs" to be healthy all around.
